This map illustrates satellite-detected shelters for displaced persons in Luuq, Somalia. Using a WorldView-2 image collected on 19 December 2012 and compared to a QuickBird image from 12 February 2011, UNOSAT located and marked 1034 shelters inside 10 settlements found primarily to the north and east of the town of Luuq. This is a preliminary analysis and has not yet been validated in the field. Please send ground feedback to UNITAR / UNOSAT.

**Analysis with WorldView-2 Data Acquired 19 December 2012 & QuickBird Data Acquired 12 February 2011**

**Satellite Data (1): WorldView-2**
- Imagery Dates: 19 December 2012
