Katsika Ioanninon Informal Site, Epirus, Greece

**Katsika Informal Site Shelters**

Administrative Buildings 15
Tent Shelter 361
Total 376

This map illustrates satellite-detected areas of the Katsika Ioanninon informal site in Greece. As of 31 March 2016, 376 structures were detected with 361 being tent shelters and 15 administrative buildings. This area covers approximately 31,281 square meters and has prospects of increasing in size as more refugees might be relocated here as a safe haven from other nearby camps that have reached capacity. This is a preliminary analysis and has not yet been validated in the field. Please send ground feedback to UNITAR-UNOSAT.
