ATLAS OF EBOLA CARE FACILITIES (ECF) IN GUINEA, LIBERIA & SIERRA LEONE

This atlas provides detailed crisis satellite imagery coverage over the locations of existing, planned, under construction and closed Ebola Care Facilities in the countries of Guinea, Liberia and Sierra Leone. Satellite imagery presented here is the best and latest imagery for each location and is provided under the International Charter for Space and Major Disasters. This atlas was produced by UNITAR/UNOSAT in support of emergency humanitarian assistance activities, and has been designed for easy printing and readability A4 and A3 paper at 1:2,000 scale. This analysis has not yet been validated in the field. Please send ground feedback to UNITAR / UNOSAT at contact information below.
