This atlas provides detailed crisis satellite imagery coverage over Iligan City based on data recorded 22 December 2011. This atlas product was produced by UNOSAT at the request of OCHA in support of emergency humanitarian assistance activities and has been designed for easy printing and readability on A4 and A3 paper at 1:8,000 scale. Please send ground feedback to UNITAR / UNOSAT at contact information below.
The depiction and use of boundaries, geographic names and related data shown here are not warranted to be error-free nor do they imply official endorsement or acceptance by the United Nations. UNOSAT is a program of the United Nations Institute for Training and Research (UNITAR), providing satellite imagery and related geographic information, research and analysis to UN humanitarian & development agencies & their implementing partners.

Coordinate System:
WGS 1984 UTM Zone 51N
Projection: Transverse Mercator
Datum: WGS 1984
False Easting: 500,000.0000
False Northing: 0.0000
Central Meridian: 123.0000
Scale Factor: 0.9996
Latitude Of Origin: 0.0000
Units: Meter
