This map illustrates satellite-detected shelters at Safawalmarwah IDP camp and Martyr’s families IDP camp location in Idlib Governorate, Syria. These camps are located just next to Al Karama and Taibah IDP camp and as of 5 June 2013, a total of 114 shelters were detected within the 0.9 hectares of Safawalmarwah camp. No shelters were detected within the 0.6 hectares of Martyr’s families camp but the ground preparation for future incoming people is visible. This is a preliminary analysis and has not yet been validated in the field. Please send ground feedback to UNITAR / UNOSAT.
